Camp-grounds	Yes	ME	Keep up the great work.
Camp-grounds	Yes	ME	Keep up the good work.
Camp-grounds	Yes	ME	It is very nice to have transportation for the locals and tourists other than their own cars. It makes for less traffic and pollution. The buses are very economical and efficient for such a busy place.
Camp-grounds	Yes	ME	I use the bus because it is good for the environment. If you advertise that it is good for the environment, free and convenient, then less tourists will rent cars and that is good. Year round bus service (with fee in winter) is a good idea for residents because they may not need to buy cars.
Camp-grounds	Yes	ME	You should start stopping at all the stops on the schedule, not just the ones riders are getting off at.
Camp-grounds	Yes	ME	If the bus drivers announced their stops it would make riding easier.
Camp-grounds	Yes	FL	It's a great service. We really enjoyed it.
Camp-grounds	Yes	ME	Excellent service. Many cities could take lessons from the Island Explorer.
Camp-grounds	Yes	ME	Thanks to all bus drivers.
Camp-grounds	Yes	ME	It would be nice if the buses could go as far as Betsy's Kitchen or the Cheese House in Trenton for those who use the buses every day and travel far to use them.
Camp-grounds	No	FL	Nothing wrong with a small charge.
Camp-grounds	No	NY	The service makes me enjoy my vacation even more.
Camp-grounds	No	FL	This service made coming to MDI with no car quite convenient. Keep up the good work and thank you.
Camp-grounds	No	VT	If the service is not free, people will use their cars. The bus service really cuts down the traffic. Install parking meters to encourage bus use and to help pay for them.
Camp-grounds	No	CT	It's great because it's free, very convenient. Experienced only 2 drivers so far (not the bus I'm on now) that were not overly friendly.
Camp-grounds	No	CT	I am very impressed with this system. I feel very relaxed and safe with our 5 children. Thank you!
Camp-grounds	No	MA	The bus is great!
Camp-grounds	No	MD	Someone had a great idea with this bus service. It helps people and merchants alike.
Camp-grounds	No	MD	We really like the seatbelts. They were a great surprise!
Camp-grounds	No	ONTARIO	Thanks for the trip!!!
Camp-grounds	No	NY	Excellent concept, convenient & eliminates parking problem - good for environment!!
Camp-grounds	No	CO	Really appreciate not having to drive after driving all day to get here.
Camp-grounds	No	CO	Great idea! Needed short run into town (30 minutes???)
Camp-grounds	No	MI	Have the schedule at every stop as well as a clock, if possible.

Camp-grounds	No	NJ	Trip takes a long time considering the short distance.
Camp-grounds	No	ME	Express from Bar Harbor to Trenton.
Camp-grounds	No	CH	Wonderful service! Keep it up!
Camp-grounds	No	CH	Great job! Thank you.
Camp-grounds	No	NJ	Ride from Narrows Too took over an hour. A shorter ride would be nice. Also the bus makes too many stops.
Camp-grounds	No	MO	It's very nice the way it is.
Camp-grounds	No	CT	Need more direct routes. Shuttle for each specific campground, hotel or B&B, Possibly group three campgrounds etc. together so passengers get to their destination faster, please!!
Camp-grounds	No	NJ	Our second vacation stop at MDI (1999 & 2000). Your buses brought us back, as much as did MDI. The passenger/bike service is top drawer! Is there anyone who doesn't like it or your great drivers? We think it's great - we talk it up at campgrounds.
Camp-grounds	No	MA	I am very grateful for the services you have provided for vacationers, residents, and of course for the earth.
Camp-grounds	No		Have earlier buses and later buses running - have buses running after bars close so people don't drive home drunk (get a cop to patrol - off duty maybe- to make sure passengers aren't rowdy.
Camp-grounds	No	SC	Great service - please continue!!
Camp-grounds	No	OK	Excellent service for short-time visitors. It has given me desire to return for a long visit.
Camp-grounds	No	TX	It's wonderful.
Camp-grounds	No	ME	Your bus drivers are very friendly!
Eden Street	Yes	ME	Ask drivers to wait until people are seated before taking off. I had to grab my 5 year old because she went flying before we could sit down.
Eden Street	Yes	ME	
Eden Street	Yes	ME	Rini and Phil are by far the most professional drivers. Really. Could we have a little less emphasis on the "tour bus" approach to this through the "entertaining bus driver" - is that really necessary?
Eden Street	Yes	ME	A longer season at least through mid-October. Service stops too soon for both visitors and residents.
Eden Street	No	MA	Shorten the survey. Have Martha Stewart become a driver.
Eden Street	No	CT	It was an enjoyable commute.
Eden Street	No	FL	Drivers were very friendly. If it can't be continued free I would gladly buy a day or week pass. I would not come downtown if I had to bring my car.
Eden Street	No	NJ	The friendliness of the drivers is five star *****. He let me borrow his own pen, for goodness sakes.
Eden Street	No	RI	We love it! Advertise more in hotels. We found out through the National Park Service. If more hotel people knew, maybe it would increase usage and reduce pollution and congestion.
Eden Street	No	IL	Thank you for making our visit more enjoyable.
Eden Street	No	NY	All routes should be explained to potential customers via flyers or free newspapers.
Eden Street	No	TX	The service is great.

Eden Street	No	MA	Bike racks are great. We have ridden the bus at least twice a day. We only drove into town once. The bus is wonderful!
Eden	No	MD	Excellent idea for tourists. Merchants benefit from the service.
Eden	No	NY	Keep up the great work.
Eden Street	No	KY	Excellent way to see the island. Very convenient, easy to use. Reduces traffic. Charge \$1 to any persons that don't pay U.S. taxes.
Eden	No	NY	Thank you!
Eden	No	MA	Could use visual graphic map of route service painted on the side of each bus.
Eden Street	No	LITHU ANIA	The service is excellent.
Eden	No	VA	Thank you for this service.
Eden	No	MA	Our bus driver is the cutest one we have seen so far.
Eden	No	MN	Wonderfully helpful.
Eden	No	FL	Thank you. Otherwise we could not come to town.
Eden	No	NY	Great and valuable service to us visitors!
Eden	No	PA	Very pleasant and helpful drivers.
Eden	No	PA	Very glad to have this service since it is hard to park in Bar Harbor.
Eden Street	No	NY	The bus drivers helped a lot with information for newcomers which was appreciated. More frequent bus service (and perhaps a place to wait along road - benches) will help if you ever kick cars out of the park. Thanks!!
Eden	No	NJ	Outstanding!!!
Eden	No	PA	We appreciate this service.
Eden	No		Our driver made a special stop for us. So kind!
Eden	No	MA	Have different day usage charges up front so you can continue this wonderful
Eden Street	No	HALIF AX	Your bus is great.
Eden Street	No	NH	Later bus service to NE Harbor. Charge \$5 per person for the late runs. Keep up the good work.
Eden Street	No	NOVA SCOTIA	Keep it going till the end of the season. It really helps us tour companies with the passengers.
Eden	No	NY	You are doing a splendid job. Keep up the good work.
Eden Street	No	GERMANY	For whale-watching at 8:00 a.m. it would be convenient to catch a bus at 7:00 a.m.
Eden	No	NJ	Excellent service!! Good idea!
Eden Street	No	AUSTRALIA	I am only here for 2 nights. Shuttle service seems excellent. I cannot say if you need extra buses, but it's a wonderful idea, especially as it is free - a rare commodity in today's world. Thank you.
Eden Street	No	MI	Buses should run later than 11:00 p.m. for those people who choose to partake in the drinking at Bar Harbor.
Eden Street	No	NY	Service and convenience was great. I would be willing to pay a nominal permit fee for buses along with the park entrance fee!
Eden Street	No	MD	This bus service is excellent. You don't have a concern about parking which is a problem in town.
Sand Beach	Yes	ME	Southwest Harbor bus takes too long. Don't go down by Coast Guard, Bank, Smugglers Den, Echo Lake. Run out of Seawall more often (especially earlier). That bus gets quite full. Overall - thank you! Keep it up! The natives are less restless!
Sand Beach	Yes	ME	These buses are a great service, please continue. Buses should run longer into the year. Drivers are very friendly and helpful.
Sand Beach	Yes	ME	To have all of the bus drivers be friendly. To have the service tour oriented. To decrease congestion on the buses, and add additional buses to accommodate other riders. To maintain the buses and make repairs promptly. To be kind to all riders! No

Sand	No	NY	Great.
Sand	No	ME	Awesome!
Sand	No	TX	Hats off to the man or persons responsible. Thank you.
Sand Beach	No	QUEBEC	Excellent initiative. We will recommend friends to come to the area next summer.
Sand	No	FL	Great service. We enjoyed our visit and the bus service was great!
Sand	No	WA	Thank you!!!
Sand	No	NC	Very accommodating drivers.
Sand	No	NY	Very pleased with this service!
Sand Beach	No	ME	I feel that the Explorer is a very good asset for Bar Harbor. It's very convenient and attracts more visitors!
Sand	No	TN	Keep up the good work!
Sand	No	VT	You are doing a good job.
Sand	No	FL	A wonderful service for those of us arriving by boat. Thank you!!!
Sand	No	KY	This is a fantastic service!
Sand	No	PA	Great service, a wonderful addition to our stay here in Bar Harbor.
Sand Beach	No	NJ	Hand out a bus schedule with purchase of a Park pass (small one instead of whole paper). Publicize the fact it's free more. Excellent way to help out traffic problems. Terrific to have a clean-burning alternative.
Sand	No	VT	Thank you for providing this wonderful service.
Sand	No	PA	Have the drivers be talkative, point things out, and make them be funny.
Sand Beach	No	MI	I'm a kid and can't drive yet so the bus gives me the freedom to Explore! I think a double-decker would be nice!
Sand	No	MA	So far so good.
Sand	No	MA	Excellent service.
Sand	No	MA	Buses that go to Seawall earlier and later.
Sand	No	NY	Frozen drinks and nacho platters.
Sand	No	CT	Shelter at Village Green stop for rain protection.
Sand Beach	No	MD	I believe the bus service is a powerful source for traveling the island. And an excellent force for preserving it. Keep it going!!!
Sand Beach	No	CT	Have bus drivers interact more with passengers. Let passengers disembark before letting others come on. Wouldn't mind paying a token fee, i.e. \$1 per day 9or \$5 per family or \$5 per week.
Sand	No	NY	Bus to Cadillac Mountain for sunrise from campgrounds. Bigger seats.
Sand	No	NC	More bicycle racks. Add Campground bus at 30 minute intervals.
Sand Beach	No	CA	The only area of contention was one bus driver who was a bit curt, not smiling, and a bit aloof.
Sand	No	MN	The drivers are so nice and answer all your questions.
Sand	No	MN	Put bus maps on the bus.
Sand	No	MI	Colored route maps are great!
Sand Beach	No	BELIZE	We would like to see service extended to after the bars close on certain main routes for the safety of those not living in town.
Sand	No	CA	I think that it is a wonderful service. Thanks you.
Sand Beach	No	ENGLAND	Run later to out-of-town campgrounds. Bus stops could be signposted better. To keep the quality of service or add more buses, you could fund this by charging a nominal fee, i.e. \$5 for a 3-day bus pass etc. Or you could have a donation box near the driver for the upkeep of this service. I hope this is of use! Sorry, just spotted
Sand	No	MA	Please make it easier to change between bus loops without going to Bar Harbor.
Sand Beach	No	TX	(1) More buses to Southwest Harbor. (2) Change times on Jordan Pond and Brown Mountain so we can transfer from one to the other in Northeast Harbor. (3) Don't run AC when temperatures are below 75 degrees - buses are too cold!

Sand Beach	No	ME	Bus service to Lamoine State Park would be great! I would expect a nominal fee for such a distance though. Commute and don't pollute! Tour guide volume too low.
Sand Beach	No	PA	We were concerned about renting bikes because we did not know if all 4 bikes would always be able to fit, and what would happen if they didn't.
Sand Beach	No	PA	Add central parking lot and signage for visitors and tourists.
Sand Beach	No	PA	I think it's wonderful to cut down on cars in the park this way (cut back on pollution) and to give people with no \$ or nor car an opportunity to see everything. Bravo.
Sand Beach	No	NJ	They should limit the use of cars in all the National Parks because of the
Sand Beach	No	FL	Drivers did not tell us bus was full when we got on, or that a second bus was just behind. People were standing which is dangerous.
Sand Beach	No	NJ	It has been a pleasant experience. Good use of tax payers money! It pays to save the environment.
Sand Beach	No	CT	Keep up the good work.
Sand Beach	No	SC	A bus between Southwest Harbor and Northeast Harbor is needed.
Sand Beach	No	WA	Bus service is excellent. Better connection between Northeast Harbor and Southwest Harbor. Launch service between NE Harbor and SW Harbor.
Sand Beach	No	TX	Beautiful buses - very clean!
Sand Beach	No	IL	Great service! Please provide drivers with voice amplification so we can hear great info. Thanks!
Sand Beach	No	ME	I was really happy with your bus service and applaud the effort. Well done.
Sand Beach	No	PA	More buses.
Sand Beach	No	GA	Thanks.
Sand Beach	No	CT	This is a wonderful service, especially when one is unfamiliar with the area. We will return and recommend this area to others. Thank you!
Sand Beach	No	ME	For a worker whose mode of transportation is by foot, this service is a wonderful plus ++. The fact that it is safe and reliable is the best part. I first came across this type of service at the Grand Canyon National Park in 1997. Drivers should point out the light in the bay when telling that "this is where the ocean meets the bay."
Sand Beach	No	NY	Publish info in or provide info about this service to AAA and other books with Maine information so you can plan before coming. Also give info on bus schedule to motels and B&B's in the area.
Sand Beach	No	DL	Run a few buses later at night. I think the more people are exposed to the service the busier it will get because it seems like a fantastic way to eliminate cars.
Sand Beach	No	NC	I have been coming to MDI for 23 years and this is the best thing since I've been
Blackwoods	Yes	ME	I like the Island Explorer bus very much. It is an excellent system.
Blackwoods	Yes	ME	I like the service. It is helpful. Please keep it free.
Blackwoods	No	ONTARIO	Advertise more. We would not have known if we hadn't gone to a program and picked up a Beaver Log. (Perhaps campground registration people should hand out schedule.) As a stranger, I love not having to drive on these roads.
Blackwoods	No	CT	Go to the top of Cadillac Mountain so you don't have to take a tour bus.
Blackwoods	No	VA	Thank you for providing this service. All places should do this. We were without a car for a day and this helped make our trip. We will use it more often.
Blackwoods	No	NY	Free drinks, video games, free food, sun roof, TV's, sleepers, washrooms, computer hookups.
Blackwoods	No	NH	Our driver was very friendly! Keep bus service free. I fear most will not use it if there is a charge! Cadillac Mountain bus service?
Blackwoods	No	NY	Add service from Blackwoods to Seal Harbor, Northeast Harbor, etc.
Blackwoods	No	CT	Great idea. Very Convenient! Bike racks a huge plus!
Blackwoods	No	MI	Make sure buses wait until time posted to leave. Thanks for the great service!
Blackwoods	No	ID	A shuttle system in a National Park has been dreamed of for some time. It is great to see it working. Perhaps to support the cost of operations require a small fee for cyclists and hikers entering the Park.

Blackwo	No	NJ	Keep up the good work!
Blackwo	No	NY	The service is very much appreciated.
Blackwo ds	No	VT	Keep it free if possible - but I would rather have service continue with a fee than not have service. We love these buses and their ability to accommodate many bikes! Idea: charge high rates/park fees for cars to encourage bus use.
Blackwo	No	VA	Ellsworth (or Carroll's IGA) direct to Southwest Harbor!
Blackwo ds	No	NY	This is a terrific service. It keeps excessive car traffic off the roads. Wish we had good public transport like this in other vacation spots we're familiar with, like Martha's Vineyard.
Blackwo ds	No	CH	Great idea, especially bike transport capabilities. We have used it from Visitors Center to Bar Harbor to Blackwoods Campground also.
Blackwo ds	No	NY	Great idea, keep it going. Used for the convenience, did not have to drive in town where it is hard to find parking and also because it was free.
Blackwo	No	NY	I think this is a great way to ease traffic.
Blackwo	No	PA	Perfect as is.
Blackwo	No	NY	Drop-offs between stops; and pickups between stops.
Jordan	Yes	ME	I love it! Great idea.
Jordan Pond	Yes	ME	Since I do not have a car – I feel this service is very important. I feel my taxes are going to a worthy purpose. Also it reduces traffic on MDI. (Islesford)
Jordan	Yes	ME	Bus service is excellent!
Jordan	Yes	ME	A wonderful service for residents and visitors.
Jordan Pond	Yes	ME	1. Drivers should have "stop requested" light turned on all the time. 2. If drivers know any history they could tell tourists about it and the island.
Jordan	Yes	ME	Suggest a small fee of \$1.00 per person to help expenses.
Jordan	No	NJ	Larger seats.
Jordan Pond	No	ENGLA ND	Put the route colors on display on the front of the buses.
Jordan	No	MA	There should be a park and ride area up by Crooked Road. Charge for parking.
Jordan Pond	No	HUNGA RY	We love Island Explorer.
Jordan Pond	No	UNITE D KINGD OM	We think it impossible to improve. Your service is 1st class.
Jordan	No	GA	We love it! This made our whole stay much better. Thank you for the service!
Jordan	No	ME	Free is the way to be. I like your bus service.
Jordan Pond	No	NY	Earlier buses for early a.m. hikes, later buses particularly Sand Beach route. Eventual goal of eliminating cars on Loop Road.
Jordan	No	CA	Thank you.
Jordan Pond	No	NY	Use electric buses or alternative fuel to cut down on pollution. Just realized you use propane...sorry. As I have no car, this transport was a major factor in my coming here for vacation. Thank you. (NYC)
Jordan	No	MA	Excellent service!
Jordan	No	CT	Keep up the good work.
Jordan	No	CT	Driver should be more informative of the area.
Jordan	No	FL	Wonderful – makes trip to Bar Harbor so much easier.
Jordan Pond	No	NC	It'd be nice to have a few small vans going around downtown for use of elders and handicapped.
Jordan Pond	No	NY	The opportunity to not use a vehicle during our stay was very important. The general reduction of traffic improves the experience for everyone. The bike racks
Jordan	No	NY	We need more parking lots near the buses.
Jordan	No	MA	This makes the week a real vacation. The service has been great so far.

Jordan Pond	No	SCOTL AND	Buses running later so that it's possible to have supper in Bar Harbor (or elsewhere) and then return to wherever you are staying.
Jordan	No	ME	Continue bus service throughout September.
Jordan	No	MA	Maybe a narration (brief and intermittent)
Jordan	No	NH	It's hard for such a great concept to get much better!
Jordan	No	FL	Need connection between NE Harbor and SW Harbor. A launch ferry between harbors.
Jordan Pond	No	TN	Drivers were all nice, personable & helpful. NE to SW Harbor is not covered, drivers did accommodate us. Commentary was appreciated, more would be better.
Jordan	No		All is OK.
Jordan Pond	No	NY	Add cross street to bus stop location (e.g. Sea St. at Main St., NE Harbor) on schedule. Buses at night? To get back from a movie at Bar Harbor.
Jordan Pond	No	NY	Bus stop signs in NE Harbor at both stops. (Sea Street particularly) Drivers are great – very friendly and helpful.
Jordan	No	NY	Only way to tour.
Jordan Pond	No	EGYPT	For BH airport facilities your service is not covering the whole morning from Village Green. So if possible begin at 5:00 in the morning, or even 6 a.m. departing from Village Green. This will be nice. But thanks for everything, including Blackwoods drivers. They were very helpful to me at the Jackson Lab for doing my
Jordan	No	IL	Hard to get from Northeast Harbor to Southwest Harbor.
Jordan	No	FL	Very nice. I like the fact that they are natural gas driven. More than I expected.
Jordan	No	NY	Late night for bus route on weekends? Walmart route?
Jordan	No	NY	Run later into the evening and earlier in the morning. Add service to Cadillac
Jordan	No	NH	Add service to top of Cadillac Mountain, please!
Jordan Pond	No	NY	We find the bus service very important. The last 2 years we never drive our own vehicle anywhere on the island.
Jordan	No	MA	We love public transportation!
Brown	Yes	ME	As a young adult without a drivers license the buses are convenient transportation.
Brown Mountain	Yes	ME	1. Keep it free. 2. Keep it frequent. 3. Improve pickup and drop-off sites by cleaving areas for buses to pull in and stop to pick up and drop off people so buses do not need to cross over into traffic lanes in the other direction. 4. Extend the season the buses operate. 5. Recruit the best and competent drivers.
Brown Mountain	Yes	ME	The bus allows me to go almost anywhere I want. It makes me spend infinitely more money that I normally would.
Brown	Yes	ME	Make runs later in the night.
Brown	Yes	ME	Keep up the good work. Buses should go up Cadillac.
Brown Mountain	No	VA	I used to live in California, where for many years the NPS tried to introduce this service in Yosemite. Now that I've seen how well it works here, I think it will work in such places too.
Brown Mountain	No	OR	It would be nice to have this service on a year-round basis for island residents... even if only stopping at the towns a couple of times per day.
Brown Mountain	No	NY	Good if you have an RV because then you wouldn't need to move it from the campground. Good idea instead of driving everywhere. Bus service is a great idea!!
Brown Mountain	No	PA	The bus driver Carol was very courteous and friendly and your bus service is excellent. It also makes a big difference that the service is free and frequent.
Brown	No	FL	A shuttle to take ferry to Nova Scotia would help a lot.
Brown Mountain	No	ME	Excellent, we visit by water, this showed us areas we would not otherwise explore. Thank you!
Brown Mountain	No	CT	We visited four years ago and loved the area. We are very impressed with the concept of the bus service and it makes getting around the island very easy and less stressful – don't have to find parking. Meet people waiting for the bus.
Brown	No	MA	Run the Sand Beach later.
Brown	No	PA	Thank you for the tours!

Island Explorer 2000 Passenger Comments

Brown	No	PA	Parking for buses on the green are not very clear.
Brown Mountain	No	NV	I am taking rides on all of them. They get me where I want to go. Kept me 7 days instead of 2 because of the ease of buses. Be nice if they extended into November. If you charged \$1 a day with a ticket for full day, it would be reasonable. San Francisco has done this for years and has proven to cut the automobile traffic in 1/2. Closing of Main Street from corner of park to pier would also help and make it much more enjoyable for everyone but the two or three big expensive hotels.
Brown Mountain	No	MA	Keep it the way it is! Clean, on time, nonpolluting, comfortable, easy, and commerce bringing.
Brown	No	CT	More bike racks. It is a great idea. We never had to use our car. Later runs a plus.
Brown	No	CT	We think it is a great idea and we love to use the bus.
Brown Mountain	No	MA	Run the Sand Beach and Jordan Pond buses later! (6 or 7 p.m.) The sun is up long past 5 p.m. It would be nice to plan afternoon hikes, beach trips, bike rides and not be stressed out about missing the last bus.
Southwest Harbor	Yes	ME	I would suggest a route to (and through) Hall Quarry main road. That way I wouldn't have to walk 30 minutes to be picked up.
Southwest Harbor	Yes	ME	There shouldn't be a stop at Seal Cove Road. No one ever gets on there.
Southwest Harbor	Yes	ME	The early morning express for commuters is wonderful. Would love one year round (arrive 7:30 leave 5:15).
Southwest Harbor	Yes	ME	I've heard plus comments from visitors.
Southwest Harbor	No	FL	Enjoyed tour commentary earlier trip. This trip the bus driver said nothing except stops. This is great!
Southwest Harbor	No	NY	Enjoyed the ride
Southwest Harbor	No	NJ	Very nice service.
Southwest Harbor	No	PA	We would gladly pay for the service – overcrowded parking areas suggest the need is great. Good luck!
Southwest Harbor	No	CH	More frequent SW Harbor buses would increase my family's use. Occasional more westerly buses could be a help, perhaps to White Birches C.G. or even a Tremont loop over Seal Cove Road.
Southwest Harbor	No	VA	Extend your service through September.
Southwest Harbor	No	NY	Bus is very hot; improved mid-trip.
Southwest Harbor	No	IL	Because of the buses & park we will be returning next year. We loved the bus
Southwest Harbor	No	CH	Not at this time, but you will probably need to add more buses in a year or two.
Southwest Harbor	No	NY	Need more parking. More frequent intervals.
Southwest Harbor	No	NJ	I've only been here 2 hours, 2 bus rides, 6 post cards, very nice!
Southwest Harbor	No	Germany	Information board at Vermont Transit station.
Southwest Harbor	No	FL	This is a very convenient service for people who are not familiar with the area. We used it several times a day during our stay.
Southwest Harbor	No	WV	This is a good program. It helped me get to work every day.
Southwest Harbor	No	NJ	Great job.
Southwest Harbor	No	CO	Transfers other than Bar Harbor. Bus to top of Cadillac. Mike and sound system for drivers. Could suggest a quarter a ride?
Southwest Harbor	No	WA	Excellent service – hope it continues. Thank you.
Southwest Harbor	No	CT	This is a wonderful service.
Southwest Harbor	No	ME	Places to sit while waiting for bus at locations other than Village Green.
Southwest Harbor	No	MI	Just appreciate service to know where to go.
Southwest Harbor	No	Ottawa	Wish we knew earlier that buses carry bikes.
Southwest Harbor	No	TX	A wonderful service. Best way to get around. Fun to ride. Happy drivers.
Southwest Harbor	No	London	More frequent buses would be very useful. The drivers are very welcoming and helpful.

Southwest Harbor	No	CT	Try to make it less bumpy.
Southwest Harbor	No	CH	Year-round runs. Tremont, Pretty Marsh, Hall Quarry runs! Less waiting time. Not having to wait 1.5 hours for the next one.
Southwest Harbor	No	MD	Frequency of service for Bus #7 SW Harbor can be improved. Buses run every hour and forty-five minutes on average to Seawall. Also this bus leaves Bar Harbor at the same time the Sand Bus and Blackwoods bus arrive at Bar Harbor. Result, 1 1/2 hour wait for next bus if driver cannot make connection.
