1	YES	NO	ME	It's great, they should definitely continue contributing and encourage other outdoor stores to contribute.	If the bus schedules are more linked. E.g. Eden Street bus arrives 20 minutes before the next campground bus. Have some buses running all year round for people living on the island. Less people using their own cars and for people that don't own cars.
1	YES	NO	ME	I think it is great that L.L. Bean is helping to keep the buses available.	I think that everything is going well with the buses.
1	YES	NO	ME	☐	This bus system is great. Just need to run it during the winter as well.
1	YES	NO	ME	I believe L.L. Bean has the right idea, though maybe too much advertising.	Many buses are around the island early in the morning, though no buses leave at around these times. Please change that.
1	YES	NO	ME	I believe it's a great way to contribute to Mount Desert Island and as a student on MDI I truly appreciate it.	☐
1	YES	NO	ME	I think it was a great idea because kids don't always have money or cars to go to work or to the beach!	I think you are doing a great job.
1	NO	YES	☐	Thank you.	Please increase the reliability of the Sunday buses. Erratic service has almost gotten me fired.
1	NO	YES	ME	☐	Since parking is minimal in town, it is necessary for local workers to use the bus, but the bus doesn't run later than 11 pm and there is no way to get home if you work later than that which is no good.
1	NO	YES	NY	Thank you L.L. Bean!	Please keep going. We look forward for it.
1	NO	NO	CT	Very nice.	More frequent buses at peak times to avoid standing.
1	NO	NO	VT	More companies should do this.	☐
1	NO	NO	IN	Very generous.	☐
1	NO	NO	PA	Thanks.	Use tax dollars (gas tax) or charge \$1 per person each way.
1	NO	NO	CT	That is awesome!	☐
1	NO	NO	ME	Way to go!	☐
1	NO	NO	MA	I think it is commendable.	☐
1	NO	NO	NY	It's great and so is L.L. Bean.	You're much better than any other bus routing.
1	NO	NO	WI	Thanks L.L. Bean!	☐

1	NO	NO	NY	Excellent.	Only rode the bus once. Weather was terrible all week and traffic was not that bad. I imagine in good weather the bus would reduce a lot of traffic problems and parking problems.
1	NO	NO	OH	It is good stuff. Now it would be good to invest in making the island more bicycle friendly (bike paths and wider roads).	If the island were more bicycle friendly then demand for the buses would decrease, and more people could get around for a smaller investment in bus services.
1	NO	NO	CA	Very generous.	More direct route for Campground bus. Maybe one bus do half the campgrounds and another do the other half.
1	NO	NO	MD	Great - Good to see businesses care about their community and state.	☐
1	NO	NO	CT	Very worthwhile cause and fully endorse such a generous contribution.	Keep up the great work!
1	NO	NO	ME	Way to go L.L. Bean! I will continue to support the mail order company.	1. Everyone is friendly and polite. I like the fact pets and bikes are allowed. 2. Sometimes bus is stuffy.
1	NO	NO	ME	It has been wonderful. It increases our hiking options. We are a family of five with various hiking abilities.	Downtown merchants are benefiting from this service, maybe they should help pay for it. We wouldn't have come into town and searched for a parking spot.
1	NO	NO	NY	We love L.L. Bean for it and plan to tell them.	Fishing pole holders with bike racks. More Campground service - more often, frequent.
1	NO	NO	PA	Thank you.	☐
1	NO	NO	IL	Great! Very cost-effective advertising for L.L. Bean. Good service for Park visitors, less pollution in the Park.	☐
1	NO	NO	OH	It's nice they did that.	☐
1	NO	NO	FL	It's good.	☐
1	NO	NO	WA	Hurrah for L.L. Bean. The \$800 I spent there this year should help.	Keep it.
1	NO	NO	ME	Very good!	☐
1	NO	NO	NH	Excellent public relations from L.L. Bean.	Wonderful service.
1	NO	NO	TX	Great.	☐
1	NO	NO	NJ	☐	I like the bus! It's very convenient. Keep the buses free! It's a good idea!
1	NO	NO	NJ	Excellent!	It was wonderful.
1	NO	NO	ME	Great idea.	☐
1	NO	NO	PA	Hurrah for L.L. Bean!	Too new to service to comment.
1	NO	NO	VT	Excellent use of money. Wonderful that they were willing.	Great service.
1	NO	NO	NY	Laudable.	More frequent or larger buses on Campground/Rt. 1 at peak times.
1	NO	NO	VT	Excellent idea.	Exceptionally courteous and helpful employees.

1	NO	NO	NJ	I think it was very generous and excellent advertising.	Campground bus service is very crowded because there are a lot of stops. Maybe if the route was divided it would improve service.
1	NO	NO	MA	I will feel better about shopping L.L. Bean and will shop there more.	Larger buses for popular routes/towns. Most of the time the bus size was sufficient.
1	NO	NO	RI	Wonderful - makes me glad I am an L.L. Bean customer.	Expand.
1	NO	NO	NY	If they could significantly impact the bill needed to fund the preservation of the Park they should donate as much as possible! \$1 million doesn't seem like enough, but is a positive gesture.	Thank you for being so mindful, ecological, and caring for preserving this beautiful area. It should serve as a positive example for other parks.
2	YES	NO	ME	Good advertising.	More information to public users about convenience, stops, timetable, etc.
2	YES	NO	ME	Awesome.	When a stop is requested try to stop or at least notice.
2	YES	NO	ME	It's an excellent service to the community. Thanks.	Starting from early June would help.
2	NO	YES	Jamaica	I strongly agree and wish it could be more.	I don't think the service could have been better.
2	NO	YES	Mexico	It's a great contribution!!	The bus stop signs are small in the hotels.
2	NO	NO	CA	Three cheers for their support! I'm more inclined to buy from L.L. Bean.	Transportation system very well conceived and executed. I live in a resort area, North Lake Tahoe, and the Island Explorer puts our system to shame.
2	NO	NO	PA	Very good cause!!	Perfect.
2	NO	NO	AL	Thank you LLB.	Thank you.
2	NO	NO	WA	Seems like a good idea.	☐
2	NO	NO	NY	Good job, L.L. Bean.	☐
2	NO	NO	CT	☐	I would rather see a fee for bus service. I.e., one charge - all day use, rather than increase park fee.
2	NO	NO	CO	Business / government partnership at its best. I wish other businesses were as civic minded.	It's great! I haven't used my car yet. Also the LPG is a fantastic idea.
2	NO	NO	CT	Thanks L.L. Bean! From a many-year satisfied customer.	More buses to peak spots. Echo Lake was busy one summer day. Great service!
2	NO	NO	GA	Thank you so very much! We will continue to shop at your stores here and by catalogue from home. You are a good citizen of this area.	This is great! The reason we chose our hotel was that it was on this bus route and we wouldn't have to drive and try to park!
2	NO	NO	RI	Excellent.	☐
2	NO	NO	NH	Very nice and generous.	It is great.
2	NO	NO	MA	As always L.L. Bean is thinking of people quality and land conservation.	☐
2	NO	NO	CT	Great!	Every 15 minutes to Eden Street all day.

2	NO	NO	NJ	It is nice, but probably could be more.	It was very convenient.
2	NO	NO	TX	Fantastic.	We are impressed!
2	NO	NO	NJ	☐	Increase frequency.
2	NO	NO	MA	It is good. Makes me feel good about buying their products.	☐
2	NO	NO	NY	What a generous act on their part.	☐
2	NO	NO	CT	Wonderful!	Pleasure to have this bus service available due to very limited parking.
2	NO	NO	NY	L.L. Bean is a company selling quality product and it's wonderful that they are so generous.	☐
2	NO	NO	OH	Good promotional spending.	We came to bike. Your roads are not bike friendly. Increase frequency of buses and focus on serving activities (hiking, biking, kayaking) so we can leave our cars at hotel.
2	NO	NO	MI	Great!	☐
2	NO	NO	WA	Wonderful idea!	☐
2	NO	NO	PA	☐	Keep up the good work!
2	NO	NO	FL	Why would they do that?	☐
2	NO	NO	Nova Scotia	Great stuff!	Doing a great job already!
2	NO	NO	VA	Thank you!	Drivers are very informative and nice. This is a fantastic service! Many people don't buy Park tickets. Before stopping service, bus fee should be separate from park entrance fee. Residents of Mt. Desert should never be charged and could have an Explorer ID/pass. Visitors should purchase a one week pass at \$5 per person for unlimited rides. no extra charge for bikes.
2	NO	NO	PA	I think it is a good advertising idea. I hope they extend their contribution.	☐
2	NO	NO	KY	Wonderful - thank L.L. Bean.	Very helpful.
2	NO	NO	KS	Excellent!	Like the way it is on time.
2	NO	NO	CT	Thank you L.L. Bean! Very generous - hope it helps their business. Would use it even if you charged - would purchase a week pass.	We think it's great! Very convenient - the kids think it's fun too! The only way to travel in Bar Harbor.
2	NO	NO	VA	Way to go!	☐
2	NO	NO	ME	I think it's very good.	☐
2	NO	NO	NJ	A big thank you to them.	☐
2	NO	NO	NY	Very important and very good.	We are pleased as it is. `
2	NO	NO	DC	Rock on, L.L. Bean.	☐
2	NO	NO	PA	Thanks!	☐
2	NO	NO	FL	Great job.	☐
2	NO	NO	CA	Good advertising.	☐
2	NO	NO	NY	Very worthwhile.	☐
3	YES	NO	ME	It is very good.	☐

3	NO	YES	ME	I think that it's really great that they are doing this.	☐
3	NO	NO	NH	Thank you L.L. Bean. I'm sure its tax deductible le. It's nice you give something back to your customers.	Michelle Love is the greatest driver. You may want to increase the amount of buses at certain times of day and on certain routes, depending on the amount of people traveling by bus. This will help keep costs down and hopefully be more efficient.
3	NO	NO	Ontario	Very commendable.	The campsite route does need a more frequent service or larger capacity buses. It is too tempting to revert back to the car when buses are filled to capacity.
3	NO	NO	GA	Great!	☐
3	NO	NO	CT	I think that L.L. Bean is a very generous company and I think it's great. The buses also preserve the wildlife and make less traffic and pollution.	In Bar Harbor they should have designated stops so you're not running to find the bus you need.
3	NO	NO	TX	Hurrah!	More remote parking a shuttle for those coming into Bar Harbor by car for the day. There are too many cars in downtown Bar harbor in the summertime.
3	NO	NO	KY	☐	I think it is a great idea.
3	NO	NO	RI	It's great.	A late bus to and from Northeast or Southwest Harbor for concerts, etc. Bus route that goes straight to Sand Beach without going up Cadillac Mountain.
3	NO	NO	FL	I buy all my clothes - mail order - with L.L. Bean credit card. Very satisfied.	They ought to change something???
3	NO	NO	PA	Wonderful idea! It's good for business to support this endeavor.	☐
3	NO	NO	WA	Can't complain about free money!	Otter point parking area bus stop signage is confusing; more buses on Sand Beach loop would be great.
3	NO	NO	MN	☐	Off season for locals - limited service?
3	NO	NO	CA	Very helpful.	☐
3	NO	NO	VA	Smart advertising! Probably more valuable to them than a \$1 million print-ad campaign.	☐
3	NO	NO	NH	Thank you L.L. Bean.	Increase frequency to lower the number of people standing like sardines.
3	NO	NO	NH	We are very pleased to hear of L.L. Bean's support and intend to support L.L. Bean business.	More buses.
3	NO	NO	PA	Generous.	☐
3	NO	NO	PA	Thank you! What a great gift!	☐
3	NO	NO	CA	San Diego loves L.L. Bean!	Have connections inside the Park.

3	NO	NO	MA	Very generous.	I would say larger buses, but this would be harder to drive around the village, etc. So why not more buses - more frequently?
3	NO	NO	Canada	☐	Fix the brakes and shocks.
3	NO	NO	NY	Further secures my family as customer.	Should be more commentary on history of Park, etc. Need one-day alternative fee.
3	NO	NO	PA	I love L.L. Bean! Just shows what a class organization L.L. Bean is!	☐
3	NO	NO	NJ	This is admirable.	☐
3	NO	NO	CA	Great contribution to help keep natural wonders and part of this community stay intact.	☐
3	NO	NO	NJ	A wonderful thing - could give more and get publicity!	More frequent service - peak times buses are crowded.
3	NO	NO	PA	Great.	☐
3	NO	NO	MD	Wow.	Charge \$1 boarding and establish more than one central.
3	NO	NO	ME	Excellent corporate advertising - More likely to buy L.L. Bean products.	☐
3	NO	NO	NJ	Very generous.	You are doing a great job! Keep up the good work. We really appreciate it!
3	NO	NO	NY	☐	☐
3	NO	NO	MA	Glad to have Bean's support.	How about service to the top of Cadillac?
3	NO	NO	MA	Thank you and I consider this when buying clothes and camping equipment.	☐
3	NO	NO	PA	I think it's great that L.L. Bean is taking an interest in the environment.	☐
3	NO	NO	RI	I'm gonna buy more L.L. Bean goods!	Thank you!!
3	NO	NO	NM	I think it is laudable and a responsible and thoughtful gesture. More National Parks should go this route - state parks as well.	☐
3	NO	NO	GA	Wonderful	Very far-sighted vision.
3	NO	NO	CT	Every contribution surely helps a lot, there should be more L.L. Bean's to promote outdoor activities.	☐
3	NO	NO	CA	Very worthwhile contribution - environmentally sound!!	The bus line should continue as a free service, but increase the Park fee to help with the expenses.
3	NO	NO	PA	Continue to fund.	☐
3	NO	NO	KY	Great citizenship.	☐
3	NO	NO	PA	Hurray!	☐
3	NO	NO	MA	Great contribution.	☐
3	NO	NO	PA	It's blatant propaganda, but we love them for it.	Certain routes (like Sandy Beach) need more frequent service. It'd be good to have a transfer point other than the Village Green - like Cadillac Ridge - where all the buses stop.

3	NO	NO	NJ	Thanks. I will shop there more often.	☐
3	NO	NO	NJ	It's wonderful.	☐
3	NO	NO	VT	I'm grateful for their donation.	We had to stand on the 1:30 bus yesterday from the Village Green to Hadley point campground. Suggest adding more buses to campgrounds.
3	NO	NO	NJ	Praise the Lord!	Considering all that is involved, you are doing a great job!
3	NO	NO	IL	Very good.	You should provide opportunity for optional contribution for the bus ride.
3	NO	NO	NY	Great, thank you.	☐
3	NO	NO	MI	Makes me more likely to shop L.L. Bean.	☐
3	NO	NO	NY	That's great! But other local corporations should be encouraged to support the parks in Maine.	Keep up the good work!!
3	NO	NO	PA	Wonderful contribution for community. Can't imagine the congestion if everyone had to drive into Bar Harbor.	Bus was quite comfortable. Appreciate that it is equipped with seatbelts and capable of taking bikes on board. Thank you L.L. Bean and Friends of Acadia!
3	NO	NO	CT	I think it is a great bus. It is cozy and has great pictures.	I think that the people should adjust the A.C. to their comfort.
3	NO	NO	GA	Greatly appreciated, but also a great way to advertise. I never thought about L.L. Bean before this trip.	☐
3	NO	NO	CA	We applaud L.L. Bean initiative, hopefully other local companies will do the same!	It would be better if the buses depart every 15 minutes instead of 30 minutes.
3	NO	NO	PA	Great!	A wonderful very appreciated service. Thanks.
3	NO	NO	MA	Keep it up!	☐
3	NO	NO	PA	Very nice - we will patronize L.L. Bean.	☐
3	NO	NO	OH	Thank you!	☐
3	NO	NO	WI	Thank you.	☐
4	YES	NO	ME	Thanks.	☐
4	YES	NO	ME	I think that was nice.	☐
4	NO	YES	FL	It is great that some company contributed.	It is really good right now.
4	NO	YES	NY	Thank you L.L. Bean.	Keep it up. It's great.
4	NO	YES	MD	Excellent idea. Most people on the bus wear L.L. Bean.	This service is superb in every way!
4	NO	NO	MO	Good company - buy their products.	☐
4	NO	NO	NH	It's great. We shopped at Bean's on the way up.	☐
4	NO	NO	NY	We think it's excellent that L.L. Bean gave such a generous contribution.	Please expand house to provide a bus that runs past 9:30. A midnight run would be great - 9:30 is too early.
4	NO	NO	VT	Very nice.	Very pleased. Thank you!
4	NO	NO	CT	It think that's very generous of them.	Some sort of express bus would be nice.
4	NO	NO	TX	Fantastic!	☐
4	NO	NO	MA	Great!	☐

4	NO	NO	NJ	Thank you L.L. Bean!! I will shop there more often!	The buses seem to be adequate now, but more may be needed in the future. Why aren't the Ollie's Trolleys propane?
4	NO	NO	CT	Great.	More stops might be nice, but probably not practical.
4	NO	NO	RI	Wonderful contribution!	Excellent ride!
4	NO	NO	MA	Very commendable!	☐
4	NO	NO	NY	Excellent.	☐
4	NO	NO	NY	Only one million?	Thank you very much.
5	YES	NO	ME	Thanks a lot.	☐
5	YES	NO	ME	Very nice.	☐
5	YES	NO	ME	I'm very grateful for such a generous donation to make these buses possible for all to use.	☐
5	NO	YES	MA	Very good! Please keep on!	As is, is fine. Could go up to Ellsworth.
5	NO	YES	AZ	Thank you!	How about bigger buses?
5	NO	YES	MN	Excellent.	The bus is awesome, a great way to enjoy and see the Park. I love the bus.
5	NO	YES	PA	Excellent idea. To show our appreciation our family is planning to increase our total shopping at L.L. Bean.	An early morning service to provide for sunrise photography would be a great addition.
5	NO	NO	PA	Strongly agree.	Keep it going!
5	NO	NO	IL	Hats off to L.L. Bean. Great way to support/assist Bar Harbor (Mt. Desert Island)!	Why not do (as Venice does) and provide an 'outside the city' parking center with a bus connection to the popular tourist areas. Allow local traffic only? Or charge tourist vehicle access fee (TVAF)?
5	NO	NO	CT	I would hope that other corporations would also donate to the bus service.	More bike racks would be nice.
5	NO	NO	NY	Very effective advertising / pr for the cost.	Drivers accommodating, helpful, well-informed, very safety conscious.
5	NO	NO	MN	Only \$1 million???	☐
5	NO	NO	MA	They are a generous company.	☐
5	NO	NO	NC	Gratitude to L.L. Bean - a model for more ethical corporate behavior.	An express bus in morning and evening for day visitors staying in outlying regions at Carroll's Store. Stopping at all campgrounds takes an hour - would possible encourage more people to park outside Park and ride buses if they could get to the Village Green directly as a way to go directly to Park sites.
5	NO	NO	VA	Great! Commendable.	☐
5	NO	NO	VA	Outstanding stewardship - sets an example other industry leaders should follow!	Expanded service from Visitor Center would help cut traffic in Bar Harbor.
5	NO	NO	NY	Thank you.	More space for bikes.
5	NO	NO	MD	That is a great plan and a very important step in connecting business and ecology. Way to go L.L. Bean!	I love the bus service for helping to reduce pollution and car congestion.

5	NO	NO	OH	Thanks to corporate citizen.	Great idea. Parks can be used to introduce many Americans to good public transportation. May grow nationwide in many communities.
5	NO	NO	VA	Wonderful!	Keep it going at all costs!
5	NO	NO	NH	Excellent, they are a good company.	You can also have fund raisers at Village Green. Hot dog cart at bus stop and coffee. Very friendly / pet friendly people. The drivers are well informed.
5	NO	NO	DE	Wonderful.	☐
5	NO	NO	IN	A very good way to spend advertising money.	☐
5	NO	NO	GA	L.L. Bean is a preferred store. I'm glad they are supporting this service.	Early morning trip to Wildwood.
5	NO	NO	NY	Great!	While on the bus, have a recording telling the passenger about Acadia Park and what you can do and see at the different stops and locations.
5	NO	NO	CA	It's great!!	☐
5	NO	NO	PA	☐	I had to park in Bar Harbor since I couldn't get a bus at MDI high school around 8:30 or 9:00. It would be nice to have an extra bus from there to the Village Green for people on Quightside.
5	NO	NO	OH	Great corporate philanthropy.	Perhaps one hour longer - can't say for sure.
5	NO	NO	OH	Wonderful idea! Thank you.	☐
5	NO	NO	OH	Excellent, very helpful to the region and tourist transportation. If you didn't offer this type of transportation - Bar harbor would be at grid lock! Too many cars.	☐
5	NO	NO	OR	Have always loved L.L. Bean. I have bought their products for years. This helps me stay committed to them as a retailer as it demonstrates their commitment to their home state.	First time user - don't know yet.
5	NO	NO	MA	Great!	☐
5	NO	NO	NY	What a great thing for L.L. Bean to do!	☐
5	NO	NO	☐	Bravo.	☐
5	NO	NO	DE	Good contribution.	Keep up the great work!
5	NO	NO	MA	Wonderful gift to the public. Please continue to help the environment.	☐
5	NO	NO	PA	Very good - other corporations should do likewise.	☐
5	NO	NO	PA	Thank you. Very generous!	Continue service.
5	NO	NO	Toronto	Thank you. Great idea.	☐
5	NO	NO	MA	Very impressed. We will give them more business.	Free drinks. Massages. Day passes vs. week passes. Seasonal passes. More strict about permit fees?
5	NO	NO	PA	Thank you L.L. Bean. Please do it again!!	I appreciate your availability and service. Thank you.

5	NO	NO	NH	Thank you L.L. Bean.	☐
5	NO	NO	GA	This is a generous action.	Great as is. We come every year.
5	NO	NO	NJ	If I had a billion dollars, I would offer \$20 million.	Make buses have more seats.
5	NO	NO	KY	L.L. Bean rocks!!!	☐
5	NO	NO	NJ	Good public relations for L.L. Bean. We're planning to stop at Freeport to visit them. Thank them for us.	Keep up the excellent work.
5	NO	NO	NC	It's great and well appreciated. We love L.L. Bean - its products and attitude toward nature.	Keep up the great service.
5	NO	NO	ME	It's great - Too bad more companies aren't doing this.	☐
5	NO	NO	ME	It's nice to see money going to a good cause. Keep it up.	It's a great service to the community. Don't stop.
5	NO	NO	NJ	Helps to offset the high cost of their products.	Nice job.
5	NO	NO	VT	Dear Mr. Bean, keep the dough rollin' in!!!	Yeah, leave it the way it is for at least another five years! Sometimes you ruin things when you change them!
5	NO	NO	MA	Congratulations! Thanks!	☐
5	NO	NO	ME	Fewer cars the better.	☐
5	NO	NO	MD	Go L.L. Bean!!	Keep up the good work, spread the word and set an example for other parks and areas!!
5	NO	NO	ME	We think it's a wonderful gesture on the part of L.L. Bean.	☐
5	NO	NO	NJ	After hearing this, I am more inclined to buy from them.	☐
6	YES	NO	ME	☐	Less squeaky brakes.
6	YES	NO	ME	Sounds great.	More buses and start earlier for the season and run longer.
6	NO	YES	Hungary	Great!	I will tell about my idea directly to one of the managers.
6	NO	YES	NH	Kudos to L.L. Bean. Have been a loyal customer. Will continue to be one.	Keep up the good work. This is a great service.
6	NO	NO	ME	Will continue to support L.L. Bean.	☐
6	NO	NO	ME	Thank you! Great and appreciated service.	☐
6	NO	NO	TX	Great!!	☐
6	NO	NO	NH	What a great company. I like that their door is never locked.	I was on a bus today with squeaking brakes. Someone should check it out. Thank you.
6	NO	NO	RI	Great job!	This is a great service - we took each bus and really enjoyed them.
6	NO	NO	NY	Great!	☐
6	NO	NO	CT	Wonderful!!	☐
6	NO	NO	CT	Very generous of you! Thanks.	Keep it up!
6	NO	NO	FL	Large corporations should support the communities they occupy.	I thought it was great!
6	NO	NO	CT	Great!	☐

6	NO	NO	FL	Sweet.	Run more often, minimum every one-half hour.
6	NO	NO	FL	□	More frequent stops, more buses, no smoking on them.
6	NO	NO	FL	I think it's great!	It's already swell.
6	NO	NO	MA	Keep it coming.	□
6	NO	NO	MA	I think it's great that big corporations have an interest in preserving / supporting our parks.	It's a great service that the town provides to the people/tourists; it only makes coming to Bar Harbor a positive and convenient experience.
6	NO	NO	NY	It's great and very much appreciated. I will continue to shop with L.L. Bean, and even more now that I know that they are contributing towards a great service and cause.	□
6	NO	NO	MA	Good!	□
6	NO	NO	ME	Very proud of them!	Make the schedule easier to read.
6	NO	NO	CT	Thank you! Will continue to shop their catalogue! We love the bus service! We spend more time and money on MDI now.	□
6	NO	NO	England	Brilliant.	More commentary on the buses. More frequent service at peak times.
6	NO	NO	CT	I think it is a great idea!	You might want to make the donation box a bright color (red) and note a suggested fee.
6	NO	NO	KY	Very generous. Perhaps other businesses and individuals across the country will follow their example and help other parks.	Service is wonderful as is.
7	YES	NO	Tremont	Thank you.	Have more express buses to Southwest, Tremont.
7	YES	NO	ME	Keep up the nice service.	□
7	YES	NO	ME	□	Drivers say when you get on where the next stop is.
7	YES	NO	ME	L.L. Bean is very nice. And these buses are a great way of transportation.	Bathroom, bigger bike racks, more seating, soda vending machines. More express buses.
7	YES	NO	ME	It is welcome, but the L.L. Bean name on drivers' shirts and all over the buses and schedules makes it seem as if L.L. Bean has in effect "purchased" advertising for itself; this advertising is repulsive.	Start in May, go till November. Add bus number and destination to outside rear of bus. Serve West Tremont into the fall. Serve Seal Cove and Pretty Marsh area. Leave later at night from Southwest Harbor back to Bar harbor. Inform drivers of basic local information - e.g. Brown Mountain is former name for Norumbega Mountain - some drivers give inaccurate info to visitors. Thank you for this great bus service!!

7	YES	NO	ME	☐	I ride to the Lab every day on the 6:25 am bus. 3:30 is early for me to go home. I do occasionally take the 3:30 express. Most often I get a bus in front of the Lab around 4:15 and ride into the Village Green and change buses. Instead of two buses going by the Lab at the same time, it would be great if one was a little early... Overall I like the bus service and wish more people would ride it.
7	YES	NO	ME	☐	Driver's 2-way radio reception often poor - maybe set up a mountain-top repeater? I would pay \$20/week for reliable commuting service from Tremont to Jax Lab.
7	YES	NO	ME	I think it's great!	☐
7	YES	NO	ME	I hope they will continue to support the bus service.	The park needs to ticket cars parked on Loop Road, Eagle Lake Road, and Jordon Pond area - thereby forcing people to use the bus. Otherwise, close Park Loop Road to cars during hours 10 am - 4 pm.
7	YES	NO	ME	I am glad that these people have donated this money because less pollution can occur.	I think that there should be a bus covering the Backside area "West Tremont, Seal Cove, Pretty Marsh." I live in West Tremont and have to bike a mile to catch a bus to Bar Harbor.
7	YES	NO	ME	I am very grateful.	Kill the canned announcements at every stop.
7	NO	YES	ME	Great!	You could accept voluntary contributions from riders, no change necessary.
7	NO	YES	NY	I love it! The National Parks are suffering - this one is not.	Direct route from SWH to Bar Harbor (without the Quieside tour).
7	NO	YES	MD	Yay L.L. Bean!!	☐
7	NO	YES	IL	Wonderful.	☐
7	NO	YES	NY	☐	Just keep up the work.
7	NO	YES	CT	Thank you.	Bigger bus and bike racks.
7	NO	YES	NY	L.L. Bean is cool!!!!!!!	Soda, food vending machines, bigger bike racks. More seating.
7	NO	YES	Poland	Very good. I am very happy with this.	It's working very fine, thank you!
7	NO	YES	FL	Wonderful.	Stop at Antique Car Museum, Route 102.
7	NO	NO	MI	Great job. Need more corporate sponsors.	☐
7	NO	NO	ME	I think it is wonderful - L.L. Bean is always doing good things in the state of Maine.	You are doing a great job.
7	NO	NO	NY	Good company policy.	☐

7	NO	NO	PA	I have respect for L.L. Bean because of their contribution, but it's not going to make me buy their stuff.	☐
7	NO	NO	NJ	I think it is wonderful.	☐
7	NO	NO	FL	Great contribution.	List pick-up places in Lamoine and Ellsworth. List pick-up places in public areas.
7	NO	NO	Germany	Great. That is why I buy outdoor clothes by L.L. Bean!	It's excellent.
7	NO	NO	NC	It's very nice of them!	Some of the buses need some mechanical work. Some drivers should slow down when there are passengers standing.
7	NO	NO	NJ	I support the donation.	The buses are frequently late, which could be fixed with better trained drivers / more accurate schedules.
7	NO	NO	OH	It's great! We will patronize them.	☐
7	NO	NO	ME	Thank you to L.L. Bean.	More buses would be nice.
7	NO	NO	OR	Three cheers for L.L. Bean.	It's an excellent and valuable service.
7	NO	NO	IL	Very good of them.	☐
7	NO	NO	NJ	Bravo!	☐
7	NO	NO	MA	☐	Increase bike rack capacity. Increase frequency on Route 7 to every half hour during peak times, and publicize the change. With a radio-controlled stop request box, some stops could be skipped on a given run.
7	NO	NO	NJ	Yea, for L.L. Bean's support!!	☐
7	NO	NO	ME	Thanks.	☐
7	NO	NO	ME	Thanks.	Later service from Bar harbor to Northeast Harbor - 10 pm. A pin that can be bought. User fees are OK if kept low. \$1 per bus trip. Or passes must be bought to keep free.
7	NO	NO	NH	I think it is great. We think big business could afford to give something back to this great country which allows them the opportunity to succeed as it does.	We think bus stops should have seats especially for the elderly when waiting for the bus. (Thunder Hole and picnic area). Everything else was just great.
7	NO	NO	MD	It's great.	Keep doing what you're doing.
7	NO	NO	NY	That's very generous.	☐
7	NO	NO	NY	Great!	☐

8	YES	NO	Belgium	It is OK.	☐
8	NO	YES	TX	Well done - but they got their money's worth in advertising.	Thanks for doing this!
8	NO	NO	NJ	Great idea.	Wonderful service.
8	NO	NO	MA	Wonderful.	Fantastic service - Thank you!
8	NO	NO	MA	Great of them to do - good advertising for them.	☐
8	NO	NO	VA	Very thoughtful.	☐
8	NO	NO	NJ	Hooray! Very generous. Thanks, L.L. Bean.	It's worked well for us. Seems Southwest Harbor afternoon buses out of Bar Harbor were more crowded this year. We had to park at Tremont School because some buses didn't go to or from Quightside - but that seemed to work out OK.
8	NO	NO	MA	I think it's a great match!	I would like the buses that serve hiking trails (Sand Beach, Brown Mountain) to run until dusk so we can hike/cycle late afternoon and early evening. More frequent service Southwest Harbor route would be good too.
8	NO	NO	ME	Very generous.	This is a pleasant experience.
8	NO	NO	MD	Hooray for L.L. Bean.	Bus to connect Schoodic to Bar Harbor or MDI High School. Service is fabulous for cruising sailors like us. Makes Park and all towns available.
8	NO	NO	MD	Great.	☐
8	NO	NO	TX	Fantastic.	☐
